

ELEANOR CALKENS.

MAY 26, 1842.

Laid upon the table.

Mr. ATRIGG, from the Committee on Invalid Pensions, made the following

REPORT:

*The Committee on Invalid Pensions, to whom was referred the petition of Eleanor Calkens, report:*

That the papers are informal, and that the case, if fully sustained, would not, in the opinion of the committee, entitle the petitioner to relief.
